Short Endorsements

“*Uprisings for the Earth* creates new, vibrant ground that holds within it keys to finding our way to a meaningful and vital relationship with the natural world in modern civilization.”

~ **Riane Eisler, author of *The Chalice and The Blade* and *The Real Wealth of Nations***

“If you are searching for your ‘ground of being’ in these turbulent times, this is the book to read.”

~ **Tony Clarke, co-author of *Blue Gold* author of *Tarsands Showdown***

“Seeing both the peril and the promise of this moment in time, Osprey Orielle Lake brings us stories infused with her passion for life. Like winds off the mountains, they renew our energy and summon our will to rise up together for the sake of Earth. ”

~ **Joanna Macy, author of *World as Lover, World as Self***

“This is a book for leaders and for those who feel the call to lead in this historic moment. What you will experience in *Uprisings for the Earth* you will experience nowhere else.”

~**Brian Swimme, co-author of *The Universe Story* with Thomas Berry**

“This thoughtful book presents a necessary and urgent call to action, cogent advice for all those who wish to be engaged in healing a culture disconnected from nature and in caring for our future.”

~**Susan Griffin, author of *Wrestling with the Angel of Democracy* and *Woman and Nature***

“*Uprisings for the Earth* challenges us to rise to the call of history and recommit ourselves individually and collectively, to creating a safe and sustainable future and that we do it with joy and laughter and love and awe and celebration!”

~**Belvie Rooks, founder of Growing a Global Heart**

“*Uprisings for the Earth* is one of the most important books I have read in recent years. The stories are personal and open both the heart and the mind. You will be better for having read this jewel of a book. ”

~**John Gray, author of *Men are from Mars, Women are from Venus***
